

# WILDFIRE SCHOOL OF SUPERNATURAL MINISTRY

---

## **Purpose:**

The Wildfire School of Supernatural Ministry (WSSM) exists to facilitate intensive training and equipping of men and women who want to experience, proclaim, and demonstrate the power and love of God. The purpose is not to move people through a program, but rather to launch each one into supernatural ministry in the power of the Holy Spirit.

## **Goals:**

- To bring glory and honor to our Father in Heaven by revealing Jesus Christ in this world through the power of the Holy Spirit.
- To enhance our own relationships with God and the Body of Christ (the Church) through passionate prayer, wholehearted fellowship, Christ-centered discipleship, and Spirit-filled evangelism.
- To develop in each person a supernatural, Christian worldview that is deeply rooted in the Word of God and the Kingdom of God.
- To offer Christians an opportunity to discover and develop their spiritual gifts, which the Holy Spirit gives to each one as He sees fit (1 Cor. 12:11).
- To provide practical guidance in hearing and obeying the voice of God while promoting mutual accountability among believers.
- To rapidly multiply the Kingdom of God like wildfire—first by expanding God’s reign within each participant (through sanctification and transformation) and then by spreading it to others (through evangelism, discipleship, and planting small groups).
- To train, equip, and send out passionate Christ-followers who are filled with the Holy Spirit and saturated in the love of Father God.
- To dramatically impact local communities with supernatural demonstrations of the power and love of God, and to thereby reach as many people with the Gospel of Jesus Christ as possible.

## **Description:**

The *Wildfire School of Supernatural Ministry* is a dynamic training program that is meant to convey the infinite, extravagant, supernatural love of God through ministries of compassion and spiritual gifts. The School is not based on a linear curriculum or model. Rather it is comprised of a series of online videos, recommended reading, and practical ministry training twice a month.

Since there are no fees involved, participants are free to join or drop out of WSSM at any time but are encouraged to be consistently active for the sake of their own experience and development. Videos and reading are completed at the participant's own pace, and practical ministry trainings are held on the first and third Sunday afternoons of each month.

## Requirements for Graduation:

It should be noted that one does not have to graduate from the School in order to be used by God in supernatural ministry; however, only those participants who officially graduate will be granted WSSM's endorsement or be subsequently invited to serve as staff in the School.

Graduation from the Wildfire School of Supernatural Ministry is awarded only after successfully:

- Completing the recommended reading
- Watching the online training videos
- Actively participating in 25 ministry trainings
- Attending a WSSM-approved *Encounter Weekend*
- Submitting a quality graduation essay
- Passing the final review board process

## Online Training Videos:

The Online Training Videos are to help each participant "stir up the gift of God within." At this time, the video content is still under development. Participants will be able to purchase DVDs (\$5 each) if they do not have Internet access.

## Practical Ministry Training Events:

Held on the first and third Sunday afternoons of each month, these gatherings are the heart of the *Wildfire School of Supernatural Ministry*. Each gathering includes a 15 to 30-minute targeted teaching, time to practice and discover gifts of the Holy Spirit, and time to seek God's direction for the remainder of the evening.

Each meeting is held in the afternoon so that afterward the participants can take a trip to the streets and share the love and power of God with anyone who will receive. Teams will be formed and sent according to the Holy Spirit's direction, as discerned and confirmed by two or three people (2 Corinthians 13:1).

### **Encounter Weekend:**

An *Encounter Weekend* is an opportunity to experience the transformational power of God and feed your soul with powerful teachings on dynamic Christian living. Attendees regularly report that their lives were dramatically changed for the better, and it shows!

The retreat runs from Friday evening until Sunday afternoon and deals with the topics of salvation, inner healing, deliverance, baptism in the Holy Spirit, and various foundations of true Christian life. At present, the only approved *Encounter Weekends* are conducted in Michigan by *Fowlerville Freedom Center* and *Charisma Life Church*.

*THE NEXT ENCOUNTER RETREAT WILL BE HELD APRIL 4-6, 2008.* Contact Art for more info.

### **The Graduation Essay:**

After attending 20 of the 25 required ministry trainings, participants will be challenged to write a 500 to 1000-word essay on one of the following topics:

- The Vision I Currently Have from God for My Life
- Ways I Can be Part of Fulfilling the Great Commission
- Top Ten Things I've Discovered about God Since Starting at WSSM

### **The Final Review Board Process:**

This is a casual interview with two or three pastors and leaders during which you get to share your heart and describe what God has been doing in your life. The review board's role is to look for three things: humility, personal integrity, and spiritual fruit. These things will be discussed more fully before your meeting.
